

**Co-working space - a tool for
strengthening the cooperation
with the business sector**

Short description:

Description of the problem:

- Lack of premises for start ups, micro and small enterprises;
- A large number of representatives from the private sector don't recognize the Centre for development of the South-East planning region;
- Inadequate space for organizing meetings for cooperation of the Centre with other institutions.

Main activities:

- Establishing a co-working space;
- Promotional activities for attracting potential users;
- Organizing events in the co-working space;
- Promotion of project activities and achieved results.

Project objectives:

- Improving the entrepreneurial environment for promoting SME's in the SEPR;
- Establishing Co – working space;
- Strengthening business sector relations.

Project Leader:

- Centre for development of the South-East planning region

Partners:

- Municipality of Bogdanci
- Municipality of Bosilovo
- Municipality of Valandovo
- Municipality of Vasilevo
- Municipality of Gevgelija
- Municipality of Dojran
- Municipality of Konche
- Municipality of Novo Selo
- Municipality of Radovish
- Municipality of Strumica

Value:

- 2.119.812,00 MKD

Duration:

- 6 months

Financed by:

- Ministry of Local Self-Government and
- Swiss Agency for Development and Cooperation

Project results:

- Established and fully equipped co-working space with meeting room;
- A number of organizations for support of SME's and business associations from the region informed with the benefits of using the co-working space;
- Active use of the co-working space;
- Improved services for all interested parties.
