

# “Reconstruction and adaptation of buildings intended for Cultural homes in v. Stojakovo – M. Bogdanci v. Radovo – M. Bosilovo and v. Rakitec – M. Konche”

Currently the buildings intended for Cultural homes in v. Stojakovo – M. Bogdanci, v. Radovo – M. Bosilovo and v. Rakitec – M. Konche are dilapidated and are in very poor, ruined and unusable condition. This condition prevents their use for organizing events of various types by residents in the populated places Stojakovo, Radovo and Rakitec.

This project will enable reconstruction and adaptation of three cultural centers in the following populated places: v. Stojakovo – M. Bogdanci, v. Radovo – M. Bosilovo and v. Rakitec – M. Konche. The project will also allow equipping them with appropriate equipment, setting a complete infrastructure and arranging the yard around the building.

With the reconstruction and adaptation of the cultural centers, the local inhabitants of Stojakovo, Radovo and Rakitec will get place where they can socialize with each other, organize various events, meetings and appointments. The House of Culture will be available for the local communities, associations of pensioners, associations of women, youth, sport associations, and all citizens who have a need for it.

## Short description of the project:
